WATERING CREW

While this year's rains have been more than ample, we do anticipate a need for a hand irrigation crew this summer.

It will involve one day a month — if we get 10+ volunteers. Call Art Dreyer at 707-785-3580 for more information and to sign up.

THE TUESDAY BOYS

Tuesday, May 25th, was a special one for the regular Gualala Arts' Tuesday morning maintenance crew. The Board of Directors' President, Michele Marshall, and her husband George (one of the boys), gave a thank-you banquet picnic for the excellent work they did on the DePrima Terrace.

The tables laden with barbeque fare and more were set up inside next to the windows to see the stonescape and lovely garden. It was a rainy day but spirits were high. Toasts and roasts were made all around. Art Dreyer said it best, "If it isn't fun, then forget it!" Art also said, "People have been saying the DePrima Terrace is a miracle, but it really was hard work!" Sus agreed and noted that they were his favorite bunch of guys!

The wives, present, were also acknowledged for sacrificing their partners on a weekly basis. Some of the other projects they are working on to keep the Arts Center up and running are installing eighteen emergency exit lights around the building, gathering art for Art Off the Wall, and the best of all, an outdoor wood-burning oven. They are the best!

Articles for August's Sketches are due Friday, June 30, 2010.
