**Holiday Candy Candles**

Instructor: Barbara Tocher

A wonderful opportunity to make your  
Christmas decorations and presents!  
Students will learn about the charac-  
teristics of wax and wick and pour  
a candle into a mold. While waiting  
for the candles to harden, we will dip  
layers of wax to look like holiday  
candy. The candy will then be adhered  
to the candle, dipped and melted off  
to reveal the colorful candy below.  
Students may make as many candles  
as they have time.

If you have taken a really good workshop  
somewhere else and would like to have that  
instructor teach here, please contact  
Gerda Randolph at 785-2206.
