

Since Gualala Arts was formed as a non-profit organization, it has become a vibrant and active arts association supporting a variety of programs for both residents and visitors to the area. The 15,000 square foot facility includes the 300 seat Coleman Auditorium (with a stage and dressing rooms) the Saville commercial kitchen, a control room, the Howell Conference Room, the Mohr Mezzanine, classrooms, library, ceramics studio, the Burnett Art Gallery, and the Elaine Jacob Foyer where tall windows allow the surrounding redwoods to share the exhibition space. Outside areas include the JAMI Amphitheater with stage, the Karel Metcalf Garden Terrace, the DePrima Terrace, the only Haiku Path in the U. S., a hiking trail down to the river, a meditation area in magnificent rings of old-growth redwoods, a barbecue area that seats 100, and a sculpture garden.

Our associated store, the Dolphin Gallery, is located in the center of Gualala and is the showplace and retail outlet for the work of local artists. It also serves as an additional Visitor's Center where one can find information on restaurants and accommodations, local events and the best beach for the time of day and weather. The Gualala Arts Center is open weekdays from 9 a.m. to 4 p.m. and most weekends from 12 to 4 p.m. Visitors are always welcome. The current calendar of exhibits, concerts, plays and classes can be found at GualalaArts.org, in the Sketches newsletter, or by calling (707) 884-1138. Membership is open to all. The Arts Center may be rented for weddings or private social events.
