Report from the Library

The library volunteers have decided to eliminate the library CD collection. There are two reasons for this decision. First, on average, one CD per year over the last four years has actually been checked out by a GAC member, so it is obviously not a very high demand category. Second, we needed the shelf space to house a very large donation to our video art collection. Check it out. If you have a CD that belongs to the Gualala Arts library, please turn it in to the office.
