

April 30 - May 5 We drive to the Gulf of Fethiye, where we board our gulet to spend five nights enjoying the splendors of Turkey's Lycian coastline (reputedly Anthony's wedding gift to Cleopatra). Our private gulet-style yacht has individual cabins, each with private facilities. Three delicious meals a day are prepared and served on board. Our sailing journey will take us to small villages along the fabled coast, usually with two shore excursions a day and time for water sports in the crystalline sea. Cruising on a private yacht to Greco-Roman and Byzantine ruins through stunning scenery: this is an unparalleled travel experience. Five nights aboard a gulet (B, L, D)

May 5 We disembark at charming Bodrum and drive to Kusadasi via Ephesus. Ephesus is the jewel in Turkey's architectural crown. It was once the fourth largest city in the Roman Empire, and a thriving center of trade. Our tour there includes the Temple of Artemis, one of the Seven Wonders of the Ancient World, as well as the chapel on the site of the Virgin Mary's home, and St. John's Basilica. Overnight in Kusadasi. (B, D)

May 6 Fly Izmir/Istanbul. Afternoon tour of Istanbul. (B, L)

May 7 Full day tour of Istanbul. During our stay we explore this 3000 year old metropolis. Here East meets West and past and present collide in a jumble of sensory experiences. We visit Hagia Sophia, a UNESCO World Heritage Site, for a thousand years Christendom's most important church before being converted to a mosque in the 15th century, now a museum; as well as the Blue Mosque with six minarets; the palace that is the Topkapi Museum; the old city and the labyrinthine Covered Bazaar, housing 4000 shops. (B, L)

May 8 Free day in Istanbul, at leisure and for shopping.

May 9 Fly from Istanbul to San Francisco.
