

**Gualala Arts Interest Groups Exhibit  
Burnett Gallery  
Saturday, February 9 to March 2  
Opening Reception: Saturday, February 9, 5 -- 7 p.m.**

Gualala Arts is having a free art exhibit by members of their Interest Groups in the Burnett Gallery with an opening on February 9, 5:00 to 7:00 p.m. through March 2. The Interest Groups of Gualala Arts play a unique role in the community by providing the opportunity for people with similar interests to get together to enjoy and support the arts. We're looking forward to seeing art pieces from these groups: Basket Makers, Beads N' Beyond, Fiber Arts Group, Life Drawing, North Coast Artists' Guild, North Coast Photographers Group, Open Clay Studio, Pacific Piecemakers Quilt Guild, Plein Aire Group, and Woodworkers and Woodcarvers.

The opening reception will be extra special, with performance pieces from these Interest Groups: Art Center Theater, Chamber Music, Gualala Arts Chorus, Readers Theater plus the Culinary Arts Guild will create a visual feast of hors d'oeuvres. This is your opportunity to discover what goes on in the many Interest Groups at Gualala Arts, and perhaps become involved in one of them, or start your own!
