Studio Discovery Tour**

**Catalog Cover Competition**

**May 16 - July 13, 2008**

**Reception: Friday, May 16, 5:00 - 7:00 p.m.**

You can get an early preview of the North Coast Artists' Guild Studio Tour by stopping at The Sea Ranch Lodge Front Gallery to preview the work of Studio Discovery Tour artists who are competing for their work to be on the front cover of the tour catalog. One of the most exciting events of the opening evening, Friday May 16, will be the unveiling of the winners of the Studio Discovery Tour Catalog Cover Competition. The exhibit will continue through July 13.

The Studio Discovery Tour will be August 30, 31 and September 1, 6 and 7, 2008. If you are taking the weekend, you are lucky because the Studio Discovery Tour will draw exceptional artists who open their creative studios to the public. Colorful and intriguing artists from potters and glass blowers, weavers and paper workers to painters, sculptors, wood turners and photographers participate. Every year, new artists join the tour, keeping the experience fresh and full of surprises. In 2007 over 40 artists were on the tour.

A free full-color catalog will help you make the most of your tour. It contains a description of each artist, along with a detailed map with directions to each studio. You will be able to pick up extra catalogs with maps beginning in June. Catalogs will also be available at the Dolphin, Gualala Arts Center and other local businesses after that date.

To receive your catalog by mail, e-mail the Tour Director, Scott Chieffo, at [Scott@GualalaArts.org](mailto:Scott@GualalaArts.org), or call the Gualala Arts Center at (707) 884-1138. Once the catalog has been published, you can download the .pdf version and preview individual artists at the official Studio Discovery Tour website, [www.Studio-Tours.com](http://www.Studio-Tours.com).

The Dolphin Gallery will preview of most of the participating Tour artists from August 30 through October 1. This gives you an opportunity to see an overview of the art so that you can check out artists you are particularly interested in.
