SUPPLY LIST FOR

MISC.

Board to tape paper to: For Air Travel: I suggest Gator-board, foam-core covered with contact paper so that the tape is easily removed, or corrugated plastic board because it's light weight & slick / For local class, any wood or masonite board is fine
Pencils: Number B lead
Eraser: Magic Rub or Refill type pen shaped eraser
Sharpener: small metal type
Water Container: For Air Travel: I bring along an exacto knife and cut the top off a water bottle/ Glass or plastic containers of any kind otherwise. Cheap Joe's carries a great set of 3 nesting water containers that fit nicely behind a Pike palette at the back of EZ Go's easel shelf (see notes on easel)

Masking Tape: 1/2 " 3M is best

Tissues

Hat or Visor and Sunscreen
2-3 photos to paint from in case of rain
STOOL (optional, I usually stand)
3 legged folding camp stool type is most compact

* Most important colors

TRAVELLING EASEL

I recommend EZ-Go Artist's Gear (303)443-6190 www.Sun-Eden.com

The elements that I recommend are the aluminum tripod (1 lb. 8 oz.), the easel shelf and the watercolor arm attachment. The shelf is the key item, and cannot be found easily anywhere else, believe me!

The only other option is packing a heavy french easel. (ok if you live locally)

You can also simply sit on the ground and have your paints beside you.

ART BAG

I strongly recommend the Studiopack Port, & Studiopack Port. Light. which can carry everything & be worn as a back pack. I often strap mine to a wheeled luggage carrier for back-relief on smooth terrain.

Important Note:

This is Erin's list of personal supplies. It is not demanded that you buy each and every item. Bring the supplies that you are most comfortable with and you will still have a great painting experience!
