## “WHAT’S LOVE GOT TO DO WITH IT?”

Pretty much everything.....Love in all its various forms is undoubtedly the most driving force in human behavior. And Love is one of the most common themes in the creative arts- countless poems, operas, songs, sculptures, paintings, etc. have been created throughout all of human history in every era and culture.

This focus of this show is to present the artist’s interpretations of what Love is to them in whatever way the artist wishes to approach it: personally, emotionally, intellectually, religiously, figuratively, conceptually, literally, abstractly, subconsciously, comically, tragically, satirically or even absurdly.

The curators of this exhibit aren’t just asking you to go “looking for love” in all the right places or even in all the wrong places – they’re asking you to look at “Love” as only you can as an artist, and to bring what you find to them to present in this show.

And it isn’t a coincidence that this show is scheduled for February, the month of St. Valentine’s Day. Love will be in the air and, as the Beatles say “All you need is love”

This is an OPEN CALL to ALL North Coast Artists Guild ARTISTS and to all member artists of the Artists Collective in Elk, The Coast Highway Artists Collective in Point Arena and the Discovery Gallery Artists Collective in Gualala and any other artist’s collective in the area that we may have missed. And if you’re not a member of the North Coast Artists Guild or any of the collectives, you can join the North Coast Artists Guild for the low price of \$25!

1. Registration fee is \$10.00 per entry, three for \$25. Up to three entries allowed/person.
2. This show will NOT be juried, but it will be judged and moderate prizes will be awarded.
3. Please fill out an Entry Form for EACH piece. Turn in the

top portion to Gualala Arts, with entry fee by the deadline. When delivering the art, attach the Entry Label portion securely to each piece. Keep the Artist Receipt for your personal record of what you are exhibiting.

The information will include the unique Tracking Number, Artist’s name, Title, Media and the Selling Price. It is essential that this information is correct, since this information is used to track sales and send checks to artists.
5. For this exhibit, artists are encouraged to use all media, 2-D and 3-D. The work submitted should be no more than 2 years old and may not have been exhibited publically on the Mendonoma coast at any time in past.
