GUALALA ARTS...

is a cultural facility in the little community of Gualala on the Northern California coast. Since 1961, Gualala Arts has served Sonoma and Mendocino County coastal residents and visitors with year-round programs of art, music, theater and education.

Gualala Arts regularly holds art exhibits and gallery shows both at the Dolphin Gallery and at the Gualala Arts Center. On the second weekend in August each year, we present one of the most prestigious art exhibitions in northern California — *ART IN THE REDWOODS* festival. In addition, there is an annual *SALON & SALON DES REFUSÉS* show with a notable judge and substantial prizes.

You are invited to join the Gualala Arts family! Your membership will help keep the doors open and the arts vibrant. Membership benefits include:

- » Subscription to Sketches newsletter
- » Discounts on workshops and classes
- » Artist exhibit opportunities at shows for members only
