2022 Wine Tasting & Auction Application & Donation Form

We Want to Donate Items for Auction and Raffle _____ Yes _____ No _____

Please list all of the items that you are donating for the silent auction and raffle. If you want a group of items to be a single lot, please put them all together in the description field; otherwise, list each donation individually. We reserve the right to combine donations into lots. The auction is all about the wine, so we try to keep the donations wine focused. Examples of previous donations that are always popular include cases of the wines you are pouring, special releases, library wines, large format bottles, bottles signed by the winemaker, verticals, winery dinners, tours and/or stays at the winery, gift certificates and logo items. Feel free to attach more detailed descriptions of the donation if it warrants it, i.e. describe your property and accommodations if offering an overnight stay, outline the specifics of a winery tour, etc.

| Description of donated item (please print legibly or attach separate sheet describing the donation) Tasting Notes (i.e. 2022 SF Wine Competition Gold Medal winner, complex and full bodied with strong black cherry start, notes of pepper and sage, and a velvety finish that leaves a hint of cardamom and anise) | Retail Value |
