Hearts for the Arts

Gualala Arts' purpose is "to promote public interest and participation in the arts." This purpose, identified so many years ago by our founders, is authored and maintained by a company of dedicated volunteers. This cadre of involved and energetic individuals is the reason our doors are open 363 days per year. At the heart of Gualala Arts are the volunteers providing the foundational structures and relationships on which all of the Art Center's programs and events are built. Without such attributes being continually lived out, Gualala Arts could not function.
